## BOURGOGNE BLANC 2017

This Bourgogne Blanc was awarded a bronze medal at the 2018 “Académie des Vins et de la Gastronomie Française” (AVGF) awards and a gold medal at the 2018 “Concours International de Bruxelles” held in Beijing. The cuvée Sir Aubry, a homage to the owner of the domain back in 1697, enjoyed exceptionally good weather in 2017. It is elegant and complex on the palate with pronounced fruity (pear, apple) and floral (lily) aromas. It displays a lovely pale gold hue and the nose discloses notes of citrus fruit and white flowers. It is fresh with delicate tangy aromas on entry to the palate. Its finish is round and well-balanced with notes of stone fruit.
