

MOULIN A VENT 2018

MONT VERRIER

Double gold medals at the Concours of Burgondia in Beaune in 2020 and at the International Concours in Lyon in 2020, one star in the French Guide Hachette 2021, this Moulin-à-Vent displays a lovely purple hue. The powerful nose is dominated by aromas of ripe red berry fruits (cherry and plum) and violets, with a hint of liquorice. The palate is fleshy with soft yet pronounced tannins. It offers black berry fruit aromas (blackcurrant) and roasted flavours (green coffee, chocolate) with a slightly mineral finish. An elegant and spicy wine with great ageing potential!

Appellation:	MOULIN A VENT
Surface area:	1 hectare.
Production :	6,500 bottles
Soil:	Granites and limestones (old Piedmont formations)
Varietal:	Gamay noir à jus blanc
Planting density:	10,000 vines per hectare.
Average age of the vines:	60 years.
Yield:	52hl/hectare.
Location:	Romanêches-Thorins and Chénas
Exposure:	South-East.
Pruning:	Short, Gobelet (traditional pruning)
Cultivation:	Sustainable practices.
Harvesting:	Manual harvesting and a sorting of clusters on the estate
Vats:	91hl temperature-controlled stainless-steel vats
Maceration:	20 days. Traditional vinification with whole bunches of grapes.
Fermentation :	28-30°C – controlled temperature. The wine undergoes malolactic fermentation after alcoholic fermentation. Several racking operations.
Maturing:	10 months in a <i>foudre</i> (large oak barrel).
Bottling:	On the estate
Cellar-ageing & serving:	Drink now or cellar-age for 7 years. Serve between 17-19°C
Food and wine pairing:	Serve with dishes in a sauce/stew and grilled meat; black pudding with mashed potatoes, Bresse chicken breast, ribs of beef, cold buffet (delicatessen, salad, white and red meats, cheeses), rack of veal, rabbit in mustard sauce, cow's cheeses (Chaource, Saint-Félicien), almond and fig tart, brownies.
